Somebody To Love (Remix)

Boogie Pimps

Ohh Ohhhhh
For you i'd write a symphony
I'd tell the violins, it's time to sink or swim
Watch 'em play for ya
For you i'd be wooaaah
Running a thousand miles, just get you where you are
Step to the beat of my heart, I don't
Need a whole lot coming from you, I admit i'd
Rather give the world or we could share mine
And I no I won't be the first one giving you all this attention, Baby listen
I just need somebody to love
I-I I don't need to much just somebody to love
Somebody to love
I don't need nothing else, i promise girl i swear
I just need somebody to love
(I need somebody I-I I need somebody x2)
Everyday, I bring the sun around
I sweep away the clouds
Smile for me (Smile for me)
I would take, every second every single time
Spend it like my last dime
Step to the beat of my heart, I don't
Need a whole lot coming from you i admit i'd
rather give you the world or we could share mine
I know i won't be the first one giving you all this attention

Baby Listen
I just need somebody to love!
I-I I don't need to much just somebody to love
Somebody to love!
I don't need nothing else, I promise girl i swear
I just need somebody to love
(I need somebody I-I I need somebody x2)
(Somebody to love!)
And you can have it all
Anything you want
I can bring, Give you the finer things yeah
But what i really want
I can't find cuz money can't find me

Somebody to love
Find me somebody to love! Woooaah
I need somebody to love
I-I I don't need to much just somebody to love
Somebody to love!
I don't need nothing else i promise girl i swear
I just need somebody to love
(I need somebody I-I need somebody x4)
Is she out there? x4
I just need somebody to love
