## No Son of Mine

## **Genesis**

Well the key to my survival

Was never in much doubt

The question was how I could keep sane?

Trying to find a way outThings were never easy for me

Peace of mind was hard to find

And I needed a place where I could hide

Somewhere I could call mineI didn't think much about it

Till it started happening all the time

Soon I was living with the fear everyday

Of what might happen that night? I couldn't stand to hear the crying of my mother

And I remember when I swore that

That would be the last they'd see of me

And I never went home againThey say that time is a healer

And now my wounds are not the same

I rang a bell with my heart in my mouth

I had to hear what he'd sayHe sat me down to talk to me

He looked me straight in the eyes

He said, "You're no son, you're no son of mine

You're no son, you're no son of mine

You walked out, you left us behind

And you're no son, you're no son of mine"Oh, his words how they hurt me, I'll never forget it

And as the time it went by, I lived to regret it

You're no son, you're no son of mine

But where should I go? And what should I do?

You're no son, you're no son of mine

But I came here for help, oh I came here for youWell the years they passed so slowly

I thought about him everyday

What would I do if we passed on the street

Would I keep running away? In and out of hiding places

Soon I'd have to face the facts

We'd have to sit down and talk it over

And that would mean going backThey say that time is a healer

And now my wounds are not the same

But I rang that bell with my heart in my mouth

I had to hear what he'd sayHe sat me down to talk to me

He looked me straight in the eyes

He said, "You're no son, you're no son of mine

You're no son, you're no son of mine

You walked out, you left us behind

And you're no son, you're no son of mine"Oh, his words how they hurt me, I'll never forget it

And as the time it went by, I lived to regret it

You're no son, you're no son of mine

But where should I go? And what should I do?

You're no son, you're no son of mine

But I came here for help, oh I was looking for youYou're no son, you're no son of mine, oh

You're no son, ha yeah, ha yeah, ha yeah

You're no son, you're no son of mine, oh, oh
