No Good Trying (2001 Digital Remaster)

Syd Barrett

It's no good trying to place your hand
Where I can't see because I understand
That you're different from me
Yes, I can tell that you can't be what you pretendAnd you're rocking me backwards
And you're rocking towards
The red and yellow mane on a stallion horseIt's no good trying to hold your love
Where I can't see because I understand
That you're different from meYes, I can tell that you can't be what you pretend
The caterpillar hood won't cover the head
And you know you should be home in bedIt's no good holding a sequined fan
Where I can't see because I understand
That you're different from me
Yes, I can tell that you can't be what you pretendYes, you're spinning around and around in a car
With electric lights flashing very fast
