

Flowers In The Window (For No

Travis

When I first held you I was cold
A melting snowman I was told
But there was no-one there to hold before
I swore that I would be alone for ever more
Wow look at you now
Flowers in the window
It's such a lovely day
And I'm glad you feel the same
Cause to stand up, out in the crowd
You are one in a million
And I love you so
Lets watch the flowers grow There is no reason to feel bad
But there are many seasons to feel glad, sad, mad
It's just a bunch of feelings that we have to hold
But I am here to help you with the load Wow look at you now
Flowers in the window
It's such a lovely day
And I'm glad you feel the same
Cause to stand up, out in the crowd
You are one in a million
And I love you so
Lets watch the flowers grow So now we're here and now is fine
So far away from there and there is time, time, time
To plant new seeds and watch them grow
So there'll be flowers in the window when we go
