

Pieces

All Saints

I can see that you wanna break,
Get down and gotta walk away,
Girl just do you,
Hurry up now don't be late,
I wish that you could stay,
And spend a little time with you
But our plans have been wasted away. What are you waiting for
Go meet him at the door
Love needs you so much more,
So don't keep him waiting
Ooooh, ooooh, oooooh ooooh Kisses have blown all the way,
Stroke you hair til it takes away,
Pieces of you
Here for ya, we don't have to say,
I can sit here all day,
Spend a little time with you
Now our plans have been wasted away. What are you waiting for,
Go meet him at the door,
Love needs you so much more
So don't keep him waiting
What are you waiting for
I know you've been here before
I'll see you again for sure
So don't keep him waiting. Oooh oooh oooh oooh Here's to a blue sky and pastures new
Here is to sunlight and missing you
Here's to the way to forever more
Here's to pieces of you, girl, pieces of you
(So what are you waiting for) What are you waiting for
Go meet him at the door
Love needs you so much more
So don't keep him waiting
What are you waiting for
I know you've been here before
I'll see you again for sure
So don't keep him waiting
