Faith Enough

Carman

I wanna tell, you how you can go the extra mile
Coming so far by faith its time
To cross the finish line with styleDon't say it can't be done
You can do anything with God
There by your side
Your gonna fly, if you believe tonightStorm down the doors, tomorrow is yours
Say it, long as you have faith enough
Pray through the night, you'll be alrightSay it, long as you have faith enough
Enough, enough, enough, enough
Say it, long as you have have faith enoughNow through your window
You only see darkness through the night
And you may wonder
When will I clearly see the lightNow don't say it can't be done
You can do anything with God
Picture the view, everything new if you believe tonightDon't say it can't be done
'Cause you can do anything with God
Thereby your side, your gonna fly if you believe
