

# Glass Houses

Hazel O'Connor

Hazel O'Connor  
Make a way for the queen  
He's got the most spectacular wardrobe you've ever seen  
So what if he bleaches his hair  
And dresses are what he likes to wear  
Who are you to say what he should do  
People in glass houses don't throw stones, no, no, no  
People in glass houses don't throw stones, no, no, no  
And you say he's a fool  
And you make this supposition cause you know he never went to school  
So what if he can't do this two times two  
He can do other things you can't do, I can't do, you can't do
