

# You're My Girl (I Don't Want to Discuss It)

Rod Stewart

See your bag's packed and you're ready to go  
There's just one thing I think that you all ought to know  
You're my girl, you're my girl I don't want to discuss it woman  
Ain't no need to try  
I don't want to discuss it baby  
Come on baby try  
You're my girl, listen baby, you're my girl I don't want to talk about it  
I don't want to hear you say  
I don't want to even discuss it woman  
I don't want to hear what you say  
'Cause you know that  
You're my girl, you're my girl  
You're my girl, you're my girl, no no I know that you've been running 'round  
With another man in town  
Tried to put you right woman  
But you keep on putting me down  
Listen to me now, you're my girl  
You're my girl  
You're my girl  
Get in there I don't want to talk about it woman  
'Cause I know you got another man  
I don't want to say another word  
Just get back where you're at  
You got to tell me 'cause  
You're my girl, come on baby  
You're my girl, you're my girl oh oh You're my girl  
You're my girl  
You're my girl  
You're my girl  
You're my girl  
You're my girl  
You're my girl  
You're my girl  
You're my girl  
You're my girl  
You're my girl  
You're my girl
