

Speed Dial No.2

Zero 7

I don't need you anymore
I'm okay and I am sure
I don't need you anymore
Yeah I'm okay, I'm reassured And I don't need you not today
I promise I'll call I promise I'll say
I don't need you not to stay
And if you ever need me I'll reciprocate Your shoulders in my pocket
Speed dial No. Two
See you when I need you
See you when I do
See you when I do Do you need me, I am here
Can you ask, can you be clear
Yes you need me, I appear
Now you are me, I am here Your shoulders in your pocket
Speed dial No. Two
Call it when you need me
See you when I do
See you when I do Call me when you need me
Just call me when you need me Call me when you need me
See you when I do
