# Relight My Fire

## Chuck Jackson

Help me escape this feelin' of insecurity
I need you so much but I don't think you really need me
But if we all stand up in the name of love
And state the case of what we're dreamin' of
I've got to say I only dream of you
But like a thief in the night you took away the love that I knewRelight my fire, your love is my only desire
Relight my fire 'cause I need your loveTurn back the times 'til the days when
Our love was new, do you remember
No matter what was happenin', I was there with you
But if we all stand up for what we believe
And maybe live within our possibilities
The world would be wild for the dream
So baby don't turn away, listen to what I gotta sayRelight my fire, your love is my only desire
Relight my fire 'cause I need your love
Relight my fire, your love is my only desire
Relight my fire 'cause I need, I need your loveYeah you gotta be strong enough to walk on through the night
There's a new day on the other side
You got to have hope in your soul just to keep on walkin'Strong enough to walk on through the night
There's another new day on the other side
You got to have hope in the soul while I keep on walkin' babyRelight my fire, your love is my only desire
Relight my fire 'cause I need your love
Relight my fire, your love is my only desire
Relight my fire, I need, I need your loveRelight my fire, relight my fire
Relight my fire, your love is my only desire
Relight my fire 'cause I need your love
