

Little Thing

Dave Matthews Band

Oh, hello and goodbye
so fast it's gone
I can't get your face from my mind
can't get your eyes from my
can't stop your voices
on that day you told me directions to
where I don't know now
it all flew by me
so all I can do is hope that you
come my way
oh and you're nowhere near me
that you'll be there and hope that
with luck, I'll see you again Oh I didn't get your name
nor you mine
or the time of day
but you're stuck on me like a fly on a table
oh I'm waiting here where we stood for just a moment
and you stole my way
and I, and I wonder will I see you again
and way, way
without the smile, the smile that blows away
the wait is too long
I want this thing to go on
and there's no way that I might find you again
I must walk a way I'm all released by time
bump into each other
it seems so right
and say hey aren't you the
weren't you the
don't you think
but I don't think it's going to happen today
I fear you'll remain a dream
rain, rain on me, yeah, yeah, yeah
your life is burned
your life burned into me
it did it
will I ever
