Strange But True

James Hunter

Can't you tell
Something in the way I called your name
Can't you tell
After all this time I feel the same

It's so strange but it's true
Can't believe I'm still in love with you

Been so long
Can't believe the time that's come and gone
Been so long
I've carried this confession on my own

It's so strange but it's true
Can't believe I'm still in love with you

Mmmmm...mmmm...mmm

I shed a tear
And I can't help but stop to wonder why
Did you hear
Something in the way I said goodbye

It's so strange but it's true
Can't believe I'm still in love with you

Mmmmm...mmmm...mmm

I shed a tear
And I can't help but stop to wonder why
Did you hear
Something in the way I said goodbye

It's so strange but it's true
Can't believe I'm still in love with you
Whoah...can't believe I'm still in love with you
