Top of the World

Wildhearts

[Ginger]I've got a feeling of an
Afterglow and the second
That the sorrow goes
Will breed a new careerAnd I wanna open up my eyes
And see, 'cos the agony and
Ecstasy look all the same
From hereYou don't get no view
Like you do on the top
Of the world the top of the
World, where the sky's so blue
And the girls are so beautifulYou don't get no view
Like you do on the top
Of the world the top of the
World, where the sky's so blue
And the girls are so beautifulAnd times where the heaven
Is a mile away and it's looking
Like it's there to stay unlikely
To remain and I got a list of
Things I'm working on:
I'll be working on No.1
I hope you do the sameYou don't get no view
Like you do on the top
Of the world the top of the
World, where the sky's so blue
And the girls are so beautifulYou don't get no view
Like you do on the top
Of the world the top of the
World, where the sky's so blue
And the girls are so beautiful
