

Porno for Pyros

Porno for Pyros

Came home last night
There was fire and smoke on the TV
The cops and the army
People running out in the streets lootingI took off my clothes
And came four times
Could not leave myself aloneIt was porno for pyros
Porno for pyros
Porno for pyrosPorno for pyros
Porno for pyros
Porno for pyrosI got in my car
Saw the fire and smoke, headed to it
Just for this night
I believe it is good to jus' destroy itGet back in the car
Let's drive on by
Everybody bump and grindIt was porno for pyros
Porno for pyros
Porno for pyrosPorno for pyros
Porno for pyros
Porno for pyrosIt was the porno for pyros
Porno for pyros
Porno for pyrosOh, there's so much trouble
Oh, but I love it so much
Having the time of my lifeIt was the porno for pyros
Porno for pyros
Porno for pyrosPorno for pyros
Porno for pyros
Porno for pyrosIt was the porno for pyros
Porno for pyros
Porno for pyros
