

Friendly Advice (Acoustic Version)

Hangnail

I hear about you and all the things
The things that you do and the hurt that it brings
I don't understand your reasoning and I don't know why
You think that you can do things your way A fool can only satisfy himself
My life's not perfect as you can see
It's just that I possess a broken heart You claim to believe in forgiving love
Forgiveness is yours if you'd look up above
I can't understand you're reasoning and I don't know why
