But I havent tasted mama's rhubarb pie in so very long. Rhubarb pie, in the summer. Nothing better in the winter, Rhubarb pie, made by my mother. than a hole in the sweater, Twinkes may be better, than rhurbarb pie after dinner. beats a poke in the eye. If I had my choice, and a hole in the sweater, I'd leave this gas station store. And then I'd travel back in time, and I'd sit down and have some more. [Chorus] Looking at the picture, in the Sunday paper, He looks like he's been eating lemons all his life. Well I think mama's rhubarb pie of the politician, he's talkn' to the press. could save solve more problems overnight.
