

Papagenu (He's My Sassafrass)

Tenacious D

That's good, let's go on a adventure, Yeah
I got lots to show you, Can I be a sasquatch too?
You already are, you're my son, JB, my wittle baby sass
Let's take a dip in the strawberry river, Yay, C'mon
C'mon baby, let's go Here we go, here we go, here we go
Ooh la la la, ooh papagenu, he's my papa sass
Ooh la la la, ooh papagenu, he's my sassafrass Here we go, here we go, here we go
Ooh la la la, ooh papagenu, he's my papa sass
Ooh la la la, ooh papagenu, he's my sassafrass We're flying, We're flying
Hold on, boy Down where the sasquatch hide
In the misty mountainside
He's got shiny diamonds that he's got to protect Look into the sasquatch eye
Didn't you know that sass can fly?
Sasquatch is my daddy and he's going to protect me Half man and half machine
On the cover of a magazine
Bigfoot is my father and he's got to protect me These lyrics don't make sense
Think I found the evidence
The Yeti is my papa and he wants to protect me
