Rock & Roll's Gonna Save the World

Y&T

Kings and queens and presidents
Are tryin' to take the world in hand
Jokers and freaks and Arab sheiks
Are fightin' over chunks of sandBut oh, my eyes have seen the glory
For the coming of the chordRock & Roll's gonna save the world
Don't you know that's the way we're gonna change it?
Rock & Roll's gonna save the world
Rock & RollYou don't need to fight when you're rockin' rightTin soldiers march around the world
No matter what the people say
One man makes all the policies
While the rest of us get blown awayYes, tonight you got the power
To lift your voices up and screamRock & Roll's gonna save the world
Don't you know that's the way we're gonna change it?
Rock & Roll's gonna save the world
Rock & RollWe'll burn it up tonight, burn with all our might
We don't need to fight when we're rockin' right
We will rock & rollCome on now, everybody
Won't you join me in my dream?
Now's the time to lift your voices
From a whisper to a screamRock & Roll's gonna save the world
Don't you know that's the way we're gonna change it?
Rock & Roll's gonna save the world
Rock & RollWe need to rock, rock
We need to roll, rock
Rock & Roll's gonna save the worldWe gotta rock, rock
To take control, rock
Rock & Roll's gonna save the worldWe need to rock, rock
We need to roll, rock
Rock & Roll's gonna save the worldWe gotta rock, rock
To take control, rock
Rock & Roll, come onRock & Roll's gonna save the world
Don't you know that's the way we're gonna change it?
Rock & Roll's gonna save the world
Listen everybody we're gonna rearrange itRock & Roll's gonna save the world
Yes, we're gonna save the world
Rock & Roll's gonna save the world
Oh, it's gonna save the worldRock & Roll's gonna save the world
Don't you know that's the way we're gonna change it?
Rock & Roll's gonna save the world
