

Miller's Farm

ZZ Top

Now here comes sundown
And a Cadillac too
Now here comes sundown
And a Cadillac tooThe man was walking on his girlfriend
Longshot, it could have been you
Now somewhere down on Miller's Farm
You're gonna have your day tooYou been stayin' out late nights
You been going home alone
You been stayin' out late nights
You been going home aloneThe man gonna get you
And gonna bring you to the farm
Some day here down on Miller's Farm
You're gonna have your day tooEver since I known you for a long, long time
You can't be satisfied
If you don't watch out what you're doing to yourself
My man gonna take you for a ride, oh yeahMidnight and morning
I seen you bringin' up them stairs
Between midnight and morning
I seen 'em bring you up them stairsThey're calling for your [unverified]
The maid don't catch you there
Some day here down on Miller's Farm
You're gonna have your day too
