

Resting Hour

Green River Ordinance

When your bridge is burned and you can't find a quiet mile

Lost and deserted

Leave it behind

I'll come running

When all your hard days wear on your shoulder

Can't help but feel like you're walking the same old line

I'll come running

Open up to me

Open up to me

I will always be your resting hour

Give it all to me

Give it all to me

Maybe I can be your resting hour

I see the sun and it's rising slowly

For every shadow there's a light

Open your eyes I'll come running

Open up to me

Open up to me

I will always be your resting hour

Give it all to me Give it all to me

Maybe I can be your resting hour

Your resting hour yeah

When we are broken we're not forgotten

You will be strong

And even though that fight that we're facing

Leaves you burned out and shaken

You're not alone

Open up to me

Open up to me

I will always be

Open up to me

Open up to me

I will always be your resting hour

Give it all to me

Give it all to me

Maybe I can be your resting hour

Your resting hour

Your resting hour
