

# Fantastic Fabulous (featuring Deborah Harry)

## Luscious Jackson

I believe you believe in the myth of yourself  
I believe you believe you couldn't be anywhere else  
And you're fabulous, so fabulous  
You're so fantastic darlin'  
I wouldn't want anyone else Fantastic Fabulous  
You look so wonderful  
Fantastic Fabulous and  
completely out of your mind Getting thin like your twin on the scene  
it's a factory  
makin' up all the friends that you have  
for the friends you need  
and you're fabulous, so fabulous  
your so fantastic darlin'  
I wouldn't want anyone else.
