

When It Was Me

[Paula DeAnda](#)

Ooh, no
Yeah, yeahShe's got green eyes and she's 5'5"
Long brown hair all down her back
Cadillac truck, so the hell what
What's so special about thatShe used to model, she's done some acting
So she weighs a buck of 5
And I guess she's alright
If perfection is what you likeOoh, ooh, and I'm not jealous, no I'm not
Ooh, ooh, I just want everything she's got
Ooh, ooh, you look at her so amazed
I remember way back when you used to look at me that wayTell me what makes her so much better than me
What makes her just everything I can never be
What makes her your every dream and fantasy
Because I can't remember when it was meAnd now you don't feel the same
I remember you would shiver every time I said your name
You said nothing felt as good as when you gaze into my eyes
Now you don't care I'm alive how did we let the fire dieOoh, ooh, and I'm not jealous, no I'm not
Ooh, ooh, I just want everything she's got
Ooh, ooh, you look at her so amazed
I remember way back when you used to look at me that wayWhat makes her so much better than me
What makes her just everything I can never be
What makes her your every dream and fantasy
Because I can't remember when it was meThat made you smile, that made you laugh
Me that made you happier than you have ever been, oh me
That was your world, your perfect girl
Nothing about me has changed that's why I'm here wonderingWhat makes her so much better than me
What makes her just everything I can never be
What makes her your every dream and fantasy
Because I can't remember when it wasWhat makes her so much better than me
What makes her just everything I can never be
What makes her your every dream and fantasy
Because I can't remember when it was meWhen it was me
When it was me
When it was me
