

Age Ain't Nothing but a Number

Aaliyah

Age ain't nothing but a number
Throwing down ain't nothing but a thing
This something I have for you it'll never change
Age ain't nothing but a number
Throwing down ain't nothing but a thing
This something I have for you it'll never change Here I am, and there you are
Your eyes are calling me to your heart
All you gotta do is knock, I'll let you in
And we will feel the passion that flows within
I don't mean to be bold, but I gotta let you know
I gotta thang for you and I can't let go Age ain't nothing but a number
Throwing down ain't nothing but a thing
This something I have for you it'll never change
Age ain't nothing but a number
Throwing down ain't nothing but a thing
This something I have for you it'll never change Take my hand, and come with me
Let me show you to ecstasy
Boy be brave don't be afraid
Cause tonight we're gonna go all the way
Don't mean to be bold, gotta let you know
I gotta thing for you, and I can't let go my Age ain't nothing but a number
Throwing down ain't nothing but a thing
This something I have for you it'll never change
Age ain't nothing but a number
Throwing down ain't nothing but a thing
This something I have for you it'll never change "So what's up, here I am, reach
Baby Come here
Age ain't nothin' but a number
I don't mean to be bold, but I gotta let you know
Liyah's got a thing for you and I can't let go ooh my Age ain't nothing but a number
Throwing down ain't nothing but a thing
This something I have for you it'll never change
Age ain't nothing but a number
Throwing down ain't nothing but a thing
This something I have for you it'll never change
