## Low-Cost Catastrophe

Now that I'm a child of God  
I'm not the man I used to be  
Oh what a great change in me  
Released my shackles, now I'm free  
Gave me life eternally  
Makes me do right when  
I wanna do wrong  
There's no more looking at my face  
Filled with disgrace  
Over what I've done  
Thank you for your Son  
You never turned away  
From Mama when she prayed  
Save our soul one day  
And then he gave me  
Power  
To walk right  
Power  
To talk right  
Power  
To the live right  
Power  
Oh I'm all right, all right

No more looking back for me  
I'm going to serve him faithfully  
I'm going to give him all I have to give  
For there's a world that needs to know  
How much the Lord loves them so  
And I'm going to tell it everywhere that I go  
I'm going to stay on my feet  
Lord help me please  
To do your perfect will  
Your purpose I must fill  
I must preach your holy world  
To those who never heard  
Each and every hour  
Because you gave me  
Power

To walk right  
Power  
To talk right  
Power  
To the live right  
Power  
Oh I'm all right, all right
