Stamina

The Jezabels

If you could have anything

Darling, what would it be?

Let me tell you it's a small worldBut I've got to find belief

That people connect in dreams

Let me tell you it's a small world

But I'm thinking bigCouldn't we perfect be

Happy white family

Let me tell you it's a small worldMaybe I yearn to speak

with nothing protecting me

Let me tell you there ain't nothing that we need

If you're thinking big

Oh, nothing that we need

Nothing that we needExcept one thing

One thing

One thingAnd it ain't love

Cause love hurts

And it ain't a home

Cause home's burnIt ain't a man

Cause a man can turn

It ain't hope

Or that can help I suppose

No it ain't none of those thingsStamina, stamina, stamina, stamina, stamina

Stamina, stamina, stamina, stamina

Walk on home

Walk on home

Walk on home

You can't leave alone

You can't leave aloneWalk on home

You can't leave alone

You can't leave alone You're going to waste my time

To pick at, to pick at you

You're to waste my time

To pick at, to pick at youWalk on home

Walk on homeWrap it up

Wrap it up

```
Lose controlWrap it up
```

Wrap it up

Lose controlWe're going to have it all for you

For you

Have it all for you

Have it all for youWrap it up

Wrap it up

Lose control
