I Will Stand

Allegiance Trio

I Will Stand (correction)
by Allegiance Trio

It may sound old fashioned
It may be passÃ©
But I believe that we are blessed
Every single day
To live within the borders
Of a land where we can see
That everyone is equal
And everyone is free
Our values and our valor
Still remain
So every time Old Glory is raised

I will Stand for the Stars
I will Stand for the Stripes
I will Stand for the Ones
Who Laid Down Their Lives
So we can breathe in Freedom
Every Woman Every Man
For One Nation Under GOD
I Will Stand

Our Founding Fathers struggled
Men and women died
Defending Ideologies
That govern all our lives
Rights from our Creator
Even Life and Liberty
They Will Not be torn asunder
By man or tyranny
So as we stand and honor them today
We can lift our voices and proclaim

I will Stand for the Stars
I will Stand for the Stripes
I will Stand for the Ones
Who Laid Down Their Lives

So we can breathe in Freedom
Every Woman Every Man
For One Nation Under GOD

The world will never understand
What we know is true
That America is more than land
Sheâ€™s the Hope in me and you

I will Stand for the Stars
I will Stand for the Stripes
I will Stand for the Ones
Who Laid Down Their Lives
So we can breathe in Freedom
Every Woman Every Man
For One Nation Under GOD

I will Stand for the Stars
I will Stand for the Stripes
I will Stand for the Ones
Who Laid Down Their Lives
So we can breathe in Freedom
Every Woman Every Man
For One Nation Under GOD

I Will Stand
I Will Stand
