

First Kiss On Mars

Stone Temple Pilots

Take a risk and listen to the radio
Click your heels at the bi-polar disco
Fly down the villa destination sign
Everybody feels the days but waits for summer nights
Boy meets girl
They might drive in modern love
(Oh, oh, oh, oh, oh, oh, oh, oh, oh)
(Oh, oh, oh, oh, oh, oh, oh, oh, oh)
Can we really find love
The magic place we dream of?
Super magic robots set the
Solar system free
Reel over
Reel over and over
Reel over, reel over
Take a risk and listen to the radio
Click your heels at the bi-polar disco
Fly down the villa destination sign

Everybody feels the days but waits for summer nights
Boy meets girl
They might drive in modern love
(Modern love)
Can we really find love
The magic place we dream of?
Super magic robots set the
Solar system free
Reel over
Reel over and over
Reel over
Reel over and over
Reel over
Reel over and over
Reel over
Over and over again
