You Can Get It If You Really Want

Cimarons

You can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try
Try and try, you'll succeed at last
Look herePersecution you must bear
Win or lose you've got to get your share
Got your mind set on a dream
You can get it, though harder they seem nowYou can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try
Try and try, you'll succeed at last
I know it, listenRome was not built in a day
Opposition will come your way
But the hotter the battle you see
It's the sweeter the victory, nowYou can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try
Try and try, you'll succeed at lastYou can get it if you really want
You can get it if you really want
You can get it if you really want
But you must try, try and try
Try and try, you'll succeed at lastYou can get it if you really want
(I know it)
You can get it if you really want
(Don't I show it?)
You can get it if you really want
(So don't give up now)
You can get it if you really want
(Keep on trying)
