

Need your love so bad

Low Budget Blues Band

I need someone's hand to lead me through the night
I need someone's arms to hold and squeeze me tight
And when the night begins and until it ends
Oh, baby, I need your love so bad
I need someone's lips to feel next to mine
I need someone to stand up and tell me when I'm lying
And when the lights are low and till it's time to go
Mmm, I need your love so bad
So go home and give it up baby, bring it on home to me
Write it on a piece of paper, so that it can be read to me
Tell me that you love me, stop driving me mad
Oh, 'cause I need, I need your love so bad
I need a soft voice to talk to me at night
Don't you worry baby, we won't fuss and fight

So, listen to my plea and bring it on home to me
Ohh, I need your love so bad
So go on and give it up, bring it on home to me
Oh, put it on a piece of paper so it can be read to me
So tell me that you love me, please stop driving me mad
'Cause I need, I need your love so bad
I need a soft voice to talk to me at night
Well, don't you worry baby, we won't fuss and fight
So, listen to my plea and bring it on home to me
Ohh, I need your love so bad
Ohh, because I need your love so bad
Ohh, I need, ohh, I need your love so bad, oh yeah
