Losin' You

Amy Millan

Free love is the goin' thing
So I took off my wedding ring
And embarked on my final fling
Of losin' youBorrowed love is awful cheap
He was fun but I can't sleep
I toss and turn and then I weep
I'm losin' youBut I'd like to take that man I made
And choke him on the bed we laid
'Cause he ain't worth the price I paid
Of losin' youI searched my heart to see
If I could catch you in a little lie
And in some way justify
Losin' youI thought love grew weak with age
Oh ho, well I misread the gage
You wrote the book, I turned the page
And I'm losin' youBut I'd like to take that man I made
And choke him on the bed we laid
'Cause he ain't worth the price I paid
Of losin' youFree love is the goin' thing
So I took off my wedding ring
And embarked on my final fling
Of losin' youBorrowed love is awful cheap
He was fun but I can't sleep
I toss and turn and then I weep
I'm losin' youBut I'd like to take that man I made
And choke him on the bed we laid
'Cause he ain't worth the price I paid of losin' you
He ain't worth the price I paid of losin' you
