Oxygen

Eliza and the Bear

Oh,
You've been keeping me awake
Won't you come now quietly
I know that I made all the bad mistakes
'Cause you take it out, take it out on me
Oh, and when i'm coming round
I won't make a sound
Oh, and i'll find you out
'Cause our love
It won't fall
So,
Lean your head back take in the oxygen
'Cause our love
It won't fall
So,
Lean your head back take in the oxygen
Oh and are we gonna be old friends
Are we gonna be, gonna be 'till the end
And have we come to find a love
Oh and were not gonna be old friends
We're not gonna be, gonna be 'till the end
And I've not come to find a love, no
'Cause our love
It won't fall
So,
Lean your head back take in the oxygen
'Cause our love
It won't fall
So,
Lean your head back take in the ox-y-gen
'Cause our love
It won't fall
So,
Lean your head back take in the oxygen
'Cause our love
It won't fall
So,
Lean your head back take in the oxygen
Oh
