

Fly Away (butterfly Reprise)

Mariah Carey

Don't be afraid to fly.
Spread your wings.
Open up a door.
So much more inside.

Don't
Be afraid to fly
Come spread your wings and just fly with me, and you'll see why
It's alright to
Fly,
Fly,
Just fly,
Just fly.
Don't be afraid,
Don't let your spirit die.
Just

[Chorus]
Spread your wings and prepare to fly,
For you have become a butterfly.
Spread your wings and prepare to fly,
For you have become a butterfly.

Don't be afraid.
Don't be afraid.
Don't be afraid to fly,
Fly.
So much more inside.
Come spread your wings and just flutter right into the sun

Don't be afraid to fly.
Don't be afraid to just fly.
You,
You have become a butterfly.
Don't be afraid to just fly.
(Spread your wings)
Prepare to fly.

Butterflies
Are free to fly,

Fly away.
Bye, bye.
Butterflies
(You have become a butterfly)
Are free to fly,
Fly away.
Bye, bye.
Bye, bye.
Bye, bye.
Butterflies
Are free to fly,
Bye, bye.

Spread your wings and prepare to fly,
For you have become a butterfly.
Spread your wings and prepare to fly,
(Spread your wings and fly)
For you have become a butterfly.

Fly away,
Fly away,
Fly away,
Fly away.
Bye, bye.
Fly away,
Fly.
Bye, bye.
Fly away,
Fly,
Butterfly.
