

The Want of a Nail

Todd Rundgren

Ive been wrong, I had plans so big
But the devils in the details
I left out one thing no one to love me
No one to love me, no one to loveFor the want of a nail, the world was lost
For the want of a nail, the world was lost, yeah
World was lost, world was lostYeah, for the want of a nail, the shoe was lost
For the want of a shoe, the horse was lost
For the want of a horse, the rider was lost
For the want of a rider, the message was lostFor the want of a nail, the world was lost
For the want of a nail, the world was lost
World was lost, world was lostFor the want of a rider, the message was lost
For the want of a message, the battle was lost
For the want of a battle, the war was lost
For the want of a war, the kingdom was lostFor the want of a nail, the world was lost
For the want of a nail, the world was lost
World was lost, world was lostIve been wrong, I had plans so big
But the devils in the details
I left out one thing, no one to love me
No one to love me, no one, no one to love me
I said no one to loveYoure askin, "Whats all this talk about horses and war?"
Put yourself in the place of the man at the forge
Day after day you live a life without love
Til the morning you cant take it anymore and you dont get upMultiply it a billion times spread it all round the
world
Put the curse of loneliness on every boy and every girl
Until everybodys kicking, everybodys scratching
Everything seems to fail and it was all for the want of a nailTell me what else could the answer be, oh yeah
Dont hold back now
For the want of a nail, the world was lostWorld was lost
World was lost
World was lost
