Like a Sundae

Black Moth Super Rainbow

Meltin like a sundae, burning in my eyes
Peeling like a sunburn, microwave my smileMeltin like a sundae, monday you'll hate me
Hurts just like a sundae, burns until it bleedsI can see myself, being with yourself
When the summer buzz starts wearin off
I can see myself, bein with yourself
If the summer buzz would just wear offMeltin like a sundae, burning in my eyes
Peeling like a sunburn, microwave my smileMeltin like a sundae, monday you'll hate me
Hurts just like a sundae, burns until it bleedsI can see myself, being with yourself
When the summer buzz starts wearin off
I can see myself, bein with yourself
If the summer buzz would just wear off
