

# The Moment I Said It

Imogen Heap

The moment I said it  
The moment I opened my mouth  
Lead in your eye lids  
Bulldozed the life out of me  
I know what you're thinking  
But darling, you're not thinking straight  
Suddenly things just happen we can't explain  
It's not even light out  
But you've somewhere to be  
No hesitation  
No, I've never seen you like this  
And I don't like it  
I don't like it  
I don't like it at all  
Just put back the car keys  
Or somebody's gonna get hurt  
Who are you calling at this hour?  
Sit down, come 'round, I need you now  
We'll work it all out together  
But we're getting nowhere tonight  
Now sleep, I promise it'll all seem better  
Somehow in time  
It's not even light out  
Suddenly, oh, you've somewhere to be  
(Suddenly)  
No hesitation  
Oh, I've never seen you like this  
You're scaring me  
You're scaring me  
You're scaring me to death  
Don't  
(Smash)  
Please don't  
(I do, please another one)  
Don't  
(Smash)  
Please don't  
(I do, please another one)  
Smash

I'm losing you  
I'm losing you  
Trust me on this one  
I've got a bad feeling  
Trust me on this one  
You're gonna throw it all away  
With no hesitation  
Smash  
Bye, bye, bye  
Bye, bye, bye  
Bye, bye, bye  
...
