

Carried

Superdrag

An' I need my cigarettes
When I write your novelettes
It's the same thing every time
Pine an' pray for your six nine And I need one single truth
Cashin' in your kissing booth
It's the same thing anyway
Dream an' doubt the day away, today Everybody knows it's you
Everybody blows it too
Oh yeah, oh yeah, oh yeah
It's comin' on strong
Hypnotizing me this long Could you be my wonder drug?
Could I be the one you dug?
It's the same trip anytime
I can't see your sweet sublime An' I need more cigarettes
To fill up my confidence
But it never helps at all
You're still perfect on my wall Everybody knows it's you
Everybody blows it too
Oh yeah, oh yeah, oh yeah
It's comin' on strong
Hypnotizing me this long
Hypnotizing me so long
So long baby, yes, I'm gone
