How Deep Is Your Love

Shades

Ohh, ahhI know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I want to feel you in my arms againAnd you comes to me
On a summer breeze
Keep me warm in your arms than you softly leave
And it's me you need to showHow deep is your love? Is your love
How deep is your love? I really need to learn
'Cause we're living in a world of fools
Breaking us down, when they should let us be
We belong to you and meI believe in you
You are the door to my very soul
You're the light in my deepest
Darkest nightYou're my savior when I the fall
You may not think I care for you
When you know inside I really do
And it's me you need to showHow deep is your love? Is your love
How deep is your love? I really need to learn
'Cause we're living in a world of fools
Breaking us down, when they should let us be
We belong to you and meDa da da da da
Da da da da da
Da da da da da
Da da da da da da da daAnd you come to me
On a summer breeze
Keep me warm in your arms and you softly leave
And it's me you need to showHow deep is your love? Is your love
How deep is your love? I really need to learn
'Cause we're living in a world of fools
Breaking us down, when they should let us be
We belong to you and meSo tell me how deep is your love
So tell me how deep is your love
So tell me how deep is your love
(How deep is your love?)So tell me how deep is your love
(Can you tell me how deep?)
So tell me how deep is your love
(How deep is your love?)So tell me how deep is your love
(So tell me how deep?)
So tell me how deep is your love

(Can you tell me how deep?)So tell me how deep is your love
(How deep is your love?)
So tell me how deep is your love
(How deep is your love?)So tell me how deep is your love
(Can you tell me how deep?)
So tell me how deep is your love
(How deep is your love?)How deep is your love? Is your love
How deep is your love? I really need to learn
'Cause we're living in a world of fools
Breaking us down, when they should let us be
We belong to you and me
