Sharing this moment with you
People

Hey,Hey,Hey,Hey

Sharing this moment with you
People

If at least
You could feel for
Just one second
People
What I am going through

Hey,yeah

People
All around me (2x)
Sharing this moment with you

People
All around me (2x)
Sharing this moment with you
People

Hey,Hey,Hey,Hey

Sharing this moment with you
People

Hey,Hey,Hey,Hey

Sharing this moment with you

If I could
Make you dance
And give you joy
People
For the time of a song

Hey, Yeah

I would be the happiest man
Hey, Hey, Hey, Hey
I would be the happiest man

Hey, Hey

People
All around me (2x)
Sharing this moment with you
