

# Ear Wax

## Bauhaus

Hazy four o'clock shadows  
Commence the seance  
Nine lives on the spirits'Til the desert suns prevail  
In every scream eternal  
Locks out boredom forever  
Paints your fishes blackIt's so exciting  
Separate hearts  
Midnight  
Midnight closeAlmost crying  
Underneath the vine  
Fly like the jet  
The tan and white  
Evening
