

# Brand New Christmas

## Hot Chocolate

Hot Chocolate  
Brand New Christmas Yes we need  
Somebody to lead us  
We need, another Jesus  
Jesus yes we need,  
Somebody to lead us  
We need... a brand new Christmas  
Brand new Christmas, brand new Christmas,  
Brand new Christmas, right away.  
You can say their are happy with the world today  
Who can say their not effected in anyway  
By the wars and hungers that we see  
I turn my eyes away from my tv  
I can't stand it, I don't want to see  
Little children dying, from poverty  
Don't want to hear it, I can't stand the sound  
Of people... shooting people down Yes we need  
Somebody to lead us  
We need, another Jesus  
Jesus yes we need, somebody to lead us  
We need... a brand new Christmas  
brand new Christmas, brand new Christmas,  
brand new Christmas, right away.  
Who can say we don't need heaven anyway?  
Who can show me someone who is strong enough today?  
To take the gun out of the fighting hand  
To take a little away, from the greedy man  
Everybody wants to live in peace  
Everybody wants hunger to cease  
Still nobody we can't find  
To get it together Lord, at sometime Yes we need  
Somebody to lead us  
We need, another Jesus  
Jesus yes we need, somebody to lead us  
We need... a brand new Christmas  
brand new Christmas, brand new Christmas,  
brand new Christmas, right away. Need somebody to lead us,  
Need somebody to lead us  
Need another Jesus,

Need a brand new Christmas yes we  
    Need somebody to lead us,  
    Need somebody to lead us  
        Need another Jesus,  
    Need a brand new Christmas Yes we need  
        Somebody to lead us  
        We need, Another Jesus  
    Jesus yes we need, somebody to lead us  
        We need... a brand new Christmas  
    Brand new Christmas, brand new Christmas  
        brand new Christmas, right away.
