Super Chris

Chrisette Michele

Don't wake me up too early in the morning
I really need my tea, some watermelon please so sweet
I got a problem with the break of dawning
A diva really does need her sleepI'm brave, I'm bold, but first I need my TV
A little bit of news, a couple of cartoons, yes please
Check instagram and how its with a post things
I wonder what the world thinks of meAm I a superstar? Oh
Is that who I are? Oh ah
Some Superstar
No not really, though not really, not at all
I'm this, a Super Chris
(Aha, ah yes, a Super Duper Chris)
(I am, my best, like the Only Be Chris)I'm insecure, I'm really only normal
Some days I,m really cute, some days I,m really brutally nut
Some days I'm free, some days I'm really formal, yeah
Depending if the wind blows or stops, uhIs it okay that I write what I think for a living
Wouldnt you say that my jobs pretty great, I think so
I like the song, maybe I'll sing along with one heart
Unity is why I make art, yeahCuz I'm a super star
Is that who I are?
Some Superstar
No not really, though not really, not at all
I'm this, a Super Chris
(Aha, ah yes, a Super Duper Chris)
(I am, my best, like the Only Be Chris)Am I a super star
Is that who I are?
Some Superstar
No not really, though not really, not at all
I'm this, a Super Duper Chris
A Super Duper Chris
A Super Duper Chris
No not really, though
I'm this
A Super Chris
Superstar
Is that who I are?
Some superstar
No, not really, no

I'm Super Chris
