

# Imaginary Girl

## The Silver Seas

Imaginary Girl,  
This is a song for you  
Sorry it took, forever  
I know it's really nothing,  
It was the least I could do  
Better late, than never

I was stranded in the middle of the night  
I was washed out to sea  
Out of the water  
You appeared like a dream to me  
And I wanna thank you...

Imaginary Girl,  
You really blow my mind  
You got to be joking  
I know I dream a lot,  
But I could do it full time  
If the position, was open

Things have changed since you came my way  
You gave me something to live for  
Darkened the night and brightened up my day, yeah...  
And I wanna thank you

Imaginary Girl,  
This is a song for you  
Be mine, forever  
I really need to know that if you feel this too,  
It's gotta be now, or never  
Got to be now, or never  
It's gotta be now, or never...

Imaginary Girl,  
This is a song for you.
