

# Look, Luck

## Noe Venable

I am out of change  
Terrible and strange  
Under a fake blue sky You're spinning out of sight  
I been up all night  
But every road leads here Look, luck  
Do not disappear  
I can almost hear you trying  
But luck  
Do not disappear  
You're the only one that's left to love So much love  
You can't pay in love  
Talk to the big machine  
Please  
I pawned my ring  
I'll do anything  
In hope of a little
