

The Seed (2.0)

The Roots

[Verse 1: Black Thought]Knocked up 9 months ago

And what she finna have she don't know

She want neo-soul, this hip-hop is old

She don't want no rock-n-roll

She want platinum or ice or gold

She want a whole lotta somethin' to fold

If you a obstacle she just drop ya cold

'cause one monkey don't stop the show

Little Mary is bad

In these streets she done ran

E'er since when the heat began

I told the girl look here

Calm down I'ma hold your hand

To enable you to peep the plan

'cause you is quick to learn

And we can make money to burn

If you allow me the latest game

I don't ask for much, but enough room to spread my wings

And the world finna know my name

[Verse 2: Cody Chesnutt]I don't ask, for much these days

And I don't bitch, and whine, if I don't get my way

I only wanna fertilize another behind my lover's back

I sit and watch it grow standin' where I'm at

Fertilize another behind my lover's back

And I'm keepin' my secrets mine

I push my seed in her push for life

Its gonna work because I'm pushin' it right

If Mary drops my baby girl tonight

I would name her Rock-N-Roll

[Verse 3: Black Thought]Uh-huh

Cadillac need space to roam

Where we headin for she don't know

We in the city where the pros shake rattle and roll

And I'm a gaddang rollin' stone

I don't beg I can hold my own

I don't break I can hold the chrome

And this weighin' a ton and I'm a son of a gun

My code name is The Only One and Black Thought is bad

These streets he done ran ever since when the game began
I never played the fool
Matta fact I be keepin' it cool
Since money been changing hands
And I'm left to shine, but the legacy that I leave behind be the seed
that'll keep the flame
I don't ask for much but enough room to spread these wings
And the world finna know my name
[Verse 4: Cody Chesnutt]I don't beg
For no rich man
And I don't scream, and kick, when his shit don't fall in my hands, man
'cause I know how to still
Fertilize another against my lover's will
I lick the opposition 'cause she don't take no pill
Ooh-ooh-ooh-ooh-ooh-ooh-no dear
You'll be keeping my legend alive
I push my seed in her push for life
Its gonna work because I'm pushin' it right
If Mary drops my baby girl tonight
I would name her Rock-N-Roll
Oh-ooh break it down, break it down, break down beat
[break]I push my seed somewhere deep in her chest
I push it naked 'cause I've takin my test
Deliverin' Mary it don't matter the sex
I'm gon' name it rock and roll
I push my seed in my push for life
It's gonna work be'cause I'm pushin it right
If Mary drop my baby girl, tonight
I would name her Rock-N-Roll
I would name her Rock-N-Roll
I would name her Rock-N-Roll yeah
I would name it Rock-N-Roll
