Half Empty

Brother Hawk

I've had my share of heartache.
I've been bruised and beaten down.
I've spent lonely nights with no relief.
I've put loved ones in the ground.
But I ain't never gone hungry,
I ain't been without a home,
and all those times I couldn't overcome,
I only thought I was alone.
I guess my hard times weren't so hard after all.
I've got friends that struggle,
a war in their own minds.
I wish they all could find the peace
that I have found in mine.
I might have gone crazy,
but I ain't never stayed for long,
and all those times I couldn't overcome,
I only thought I was alone.
I guess my hard times weren't so hard after all.
Sometimes I feel helpless,
but I ain't lived without love.
