They Don't See

[Earth, Wind & Fire](#)

They don't see what you are to me
Guiding lightSaw a man the other day
Said he was givin' up his babe
Gonna turn his back on God
Make his way twice as hardPeople say I'm a fool, but can I really be?
Say if it really was a white misery, yeah?They don't see what you are to me
Guiding light, for all, yeah yeah to see yeahProtestant, and Catholic
Arabs and the Jews
Gonna turn your back on God
But is it really trueWoman on the corner she brings tears to my eyes, yeah
I really hate to see people ruinin' lives, yeahThey don't see what you are to me
Guiding light, for all, yeah yeah, yeah, yeahWoman on the corner she brings tears to my eyes, yeah
I really hate to see people ruinin' lives, yeahThey don't see what you are to me
Guiding light, for all, yeah yeah, yeah, yeah, yeahWell I'm readin' the news
Ain't nothin' changed, ain't nothin' new
Pain comes down like the fallin' rain
But you saw, yeah don't feel the same, yeah, yeahWhen you love, love with all your heart, yeah, oh yeah
From the very start, yeah
I said, when you love, love with all your heart
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
