Turn It Up

Squad Five-O

Ohh yeahWe got shark skin style
An alligators smile
Personality that just don't quit
So take a bite of the danger if you like
Spit it out when you're done with itTonights the night
So turn it up, I'm not afraid to die
'Cuz you got nothin' to do
And we've got nothin' to loseOhh yeah
Ohh yeah
Ohh yeah
Ohh yeahI'm a snake gone wild
Guitar wolf child with a sex appeal
You can't understand
We're goin' off Just like a hydrogen bomb
Blowin' up all over JapanTonight's the night
So turn it up, don't be afraid to die
'Cuz you got nothin' to do
And we've got nothin' to loseOhh yeah
Ohh yeah
Ohh yeah
Ohh yeahOhh yeah
Ohh yeah
Ohh yeah
Ohh yeah[Incomprehensible]Shark skin style
An alligators smile
Personality that just don't quit
So take a bite of the danger if you like
Spit it out when you're done with itTonights the night
So turn it up, I'm not afraid to die
'Cuz you got nothin' to do
We've got nothin' to loseOhh yeah
Ohh yeah
Ohh
