

I'm Good

YG

First off this beat bang
Ask around I'm the muthafuckin' man
I'm 'bout to drop ten racks on a chain
And find a pretty bitch that I can dip with in the Range I'm good I put that on the hood I'm good
I'm good I put that on the hood I'm good
I'm good I put that on the hood I'm good
I'm good I put that on the hood I'm good Aye aye, I'm so straight the cops so crooked,
Clique full of soldiers like No Limit,
