

Carolina Tide

John Mark McMillan

Hey girl Let's go down
wash our hands
in the Carolina Tide

Let's go down and die
And come back like babies

Hey girl, let's go down
wash our sins in
the muddy brown wave

Wash the world away
and come back again

Oh (x16)

All these scarlet stains
like the blood red clay
on the knees of our jeans

You can come out righteous
If you want babe
You can come out clean

Hey girl drive all night
down to the water
and live like we're alive

Let our sleeping die
and roll out of these graves

Hey girl the water dont know
the shore dont care
who you were before,
we're not them anymore
you know we're not the same.

Oh (x16)

All these scarlet stains

like the blood red clay
on the knees of our jeans

You can come out righteous
If you want babe
You can come out clean

Hey girl let's go down
wash our sins
in the Carolina Tide.

Let's go down and die
and come back like babies.

Hey girl let's go down
wash our sins
in the muddy brown wave

Wash the world away
and come back again.
