

# Black Cadillac

## Blue On Black

Rosanna, baby come on  
It was a black Cadillac drove you away  
Everybody's talkin' but they don't have much to say  
It was a black sky of rain none of it fell  
One of us gets to go to heaven, one has to stay here in hell  
Now it's a lonely world  
Guess it always was  
Minus you  
And minus blood, my blood  
It was a black Cadillac like one you used to drive  
Now you were always rollin' but those wheels burn up your life  
Oh, it's a black heart of pain that I'm wearin', suits me just fine  
Oh, there was nothin' I could do for you when you were still alive  
Yeah, it's a lonely world  
Just a numbers game  
Well, a hundred years  
Will find me feelin' just the same  
Yeah, it's a lonely world  
I guess it always was  
Minus you  
And minus blood, my blood
